“ *My Sweet little Annie Girl. We miss you so much. We miss your meows, snack time thank you's and your sweet little face along with your loyalty to your daddy and me. I miss you laying on me on the weekends and your loving purr every time I pet you. You've given us so much joy in our lives and we thank you for that. We know you're looking down on us and telling us that it's okay and one day we will meet again and know that you're waiting for us. We'll never forget you and your love to us. Leeno misses you so much that he looks for you everyday especially when it's snack time. He knows that you loved him and we all know that your spirit will always be with us. Until we meet again our sweet little Annie girl and we love you forever and ever. All of our love, Daddy, Mommy and your little brother Leeno.*

“ *She is the most beautiful kitty there ever was. I loved and will always love her dearly. Annie was my beautiful little girl, she was daddy’s girl. I miss you so much sweetheart. I know you are in peace now, no more pain, no more suffering, no more medication and trips to the vets. I would say you are in a better place, but the best place for you was at home with me. The amount of joy and love you brought to us is immeasurable. My eyes are filled with tears thinking about you. I miss you sweetheart and when the time comes we will be together again. Rest In Peace my beautiful little girl. Daddy loves you. ❤️❤️❤️*
