In Loving Memory of Athena

May 10, 2018 - April 14, 2026

Athena, a loyal and fun loving seven year old Pitbull terrier, passed away peacefully on April 14, 2026, after a courageous battle with cancer. Joining her forever home on June 25, 2018, she was more than a pet; she was a constant source of unconditional love.

Athena lived for her people and extended her gentle kindness to her feline friends. A true explorer, she never turned down a car ride or an adventure. Her spirit was brightest taking walks, especially in the woods. To Athena, a walk was a chance to take in the world with those she loved most.

While her passing leaves a void, her family finds comfort in knowing she has been reunited with her big brother and best friend, Frazier. After a year apart, the two are undoubtedly running together once more at the Rainbow Bridge.

Athena's legacy is one of love and loyalty. She taught her family that the best things in life are simple: a long walk in the trees, a nap with a friend, and the joy of being together. She will be forever missed, forever loved and never

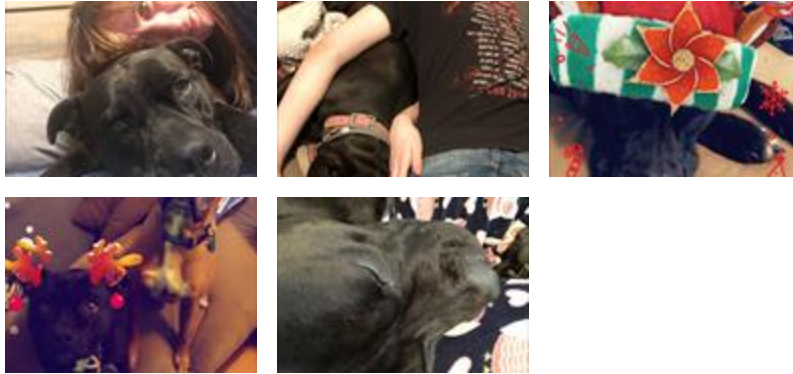

forgotten.
