“ My sweet Ava bean was the sweetest, sensitive, goofiest dog ever. I miss her presence so much already, my emotional support. I’m so thankful I got to experience my sweet baby! You’re not suffering anymore & I’ll be happy about that, but mommy misses you a ton. I love you girly ❤️

“ I remember the first time I met Ava, she was the cutest thing I have ever seen. I was so happy to meet her and spend time with her. She would jump up to me so that I would hold her, She loved being held. There would be countless nights where she would lay in between her mommy and her daddy. She loved laying in between us, getting all the kisses she ever wanted. Ava was always there for us, when we were sad, or when we were upset. She never liked seeing us sad, she always came with kisses and cuddles. She had a way of making everything feel better. We love you so much Ava, more than you could ever know. There won't be a day that goes by where we don't think about you. You will live with us in our hearts forever.

Love your daddy
