

Bella Marton

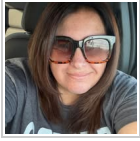

May 19, 2010 - November 29, 2022

Bella was a sweet little black pig and was an awesome pet, always made us smile with her snoring and her big beautiful eyes.

She was always there to greet us with a warm grunt and a wagging tail. She loved people and they loved her back.

So hard to let go, we loved her and we miss her terribly.

“ We love Bella, she loved my children and always wanted to just be around them and snuggled up. ❤️
