

Bentley Ruane

February 12, 2010 - June 20, 2024

Bentley had a 2 wonderful homes in his life - first with mommy Joanne Kozura, then with "Miss Linda and Uncle Mike" Ruane.

Bentley loved to eat more than anything, and he was continually on the search for his next snack. Despite his physical complications, Bentley was a joy of a dog, and he never let his ailments affect his spirit of living.

Thanks for the memories. You will be missed very much.
