“ *Bently was truly one of the gentlest souls in our family. He was one of the biggest house cats I've ever seen, but his heart was even bigger. His love was steady and soft, always there when you needed it.*

Thank you, Bently, for looking after Grandma and keeping her company, for filling her home with comfort and warmth. You were such a good boy. You will always be remembered with love.

“ Dear Bently Boy, you were a good boy, a loving companion, loyal friend and a wonderful pet. We all miss you terribly. I will miss your kisses, purring, giving you massages and our naps together when I would come to visit. Also I will miss talking to you on the phone! I'm glad I was able to fix your scratching post. Was fun watching you help me with that! Bently you were one of four wonderful pets! Candy, Taggy, Benson and you. I told them I would never forget them and I will never forget all the fun times we had together. Thank you for your unconditional love and friendship you gave over the last 13 years. Looking forward to seeing you again on the other side of the rainbow bridge.
Love you and miss you,
Your brother Tom!
