EM

“ I don't even know where to start....
She was my childhood cat I grew up with her she taught me SO
much..I can't when put into words how much I'm going to miss her..I
got to watch her grow up and she watched me grow up...
Rest easy mamas...

AM

“ Will be very missed, i remember bringing her home she was so tiny
will miss her little meows she always came out to greet everyone ❤️
