“ Buttercup was born in sommerset and was abandoned by her mother and then she found us.I really didn't want another cat but seeing her sitting there shivering and dirty made my heart say she was coming home with us.Very glad we did because she was and amazing part of the family. PS:: You will always be in my heart and wish we could go on more rides togher

“ *Thats my baby girl, she was an absolute sweetheart she loved cuddles at 3am she would wake me up just so i could make a bed next to me for her to sleep on, she would go on car rides everywhere we went, she loved to go outside everyday she would sneak out the door every time somebody walked in the house i love her with all my heart* ☐
