“ I knew from the day we brought you home to surprise my sister that the two of you would be the best of friends. What I didn't know was that you would be a friend to us all. I loved that I got to be your Aunt Toots and look after you while your mama was at school. I'll never forget you and your wiggly butt. You were such a good boy! I love you, Caesar! ❤️

“ Caesar you were the best dog a girl could ever ask for. I fell in love with you from the moment I first saw you. You were my best friend in the entire world. I love you so so much and not a day will go by that I don't think about you. We did everything together. I'm going to miss all of our cuddles and playing ball together. Well cuddle and play ball again someday, but until then be my angel and look over me my sweet boy. We made each other so happy. You'll forever be in my heart and I'll miss you so much. The days won't be the same without you here. I love you Caesar forever and ever and ever!!
