“ *Mallory, I'm so sad to hear about Calli. She was your little girl and loved you so much. She filled your heart with lots of love and you filled her life with the same. Thinking of you. ❤️*

“ *Calli was a sweet spoiled pup and loved you so much! You were the only one she saw! You really pampered and loved her and she was lucky to have you as her mom. Sorry about your sweet girl but happy for all the years you had with her. ❤️🐾 Hugs.*
