“ Cas was a big part of our family and he is loved & missed so very much! He was such a cool little guy and always so chill. I remember walking into our daughter's room, talking to her and not even noticing him just chilling all calm & relaxed on her bed. I remember how excited he got when he saw the lights of her computer keyboard. He was a blessing to our daughter and the love and bond they shared was priceless. He will forever live on in our memories and thoughts and we will cherish every memory we have of him. Until we meet again sweet little Cas
