“ Thank you Natalie for bringing Casper home to me. He was very dirty and we gave him a bath immediately. He was such a good dog. He loved to catch and bring back anything he could find. As soon as he saw me, he would grab a frisbee, rope, ball- anything and expect to play catch non stop! Beautiful border collie! ❤️ love you so much Thank you Bob for taking care of him when I could not any longer.

Casper the good boy . An amazing athlete, an amazing obedient border collie, an amazing friend, and friendly to all.. I will surely miss today's a catch frisbee with you. I surely miss those early days when they couldn't watch TV because you were constantly bringing back a ball.. I will surely miss how you walked with your brother echo side-by-side on the trail. I'll miss how you only bark when we came home.. you were such a good boy Neighbor in a lovable, big boy.. i'll always love you my good boy and I will see you again in heaven ❤️
