

Chance Wansitler-Desalvo

September 14, 2018

Obituary not available.

Tribute Wall

KR

“ *Chance was found very ill in the middle of the road. Dave found him and immediately helped him. We had him for a year before he was hit by a car. He gained weight, got healthy, and definitely had a better quality of life with us. He had his own little meow family. My Chance, you will be forever missed and loved!*
