

Charley Dirling

November 30, 2009 - March 21, 2025

It is with heavy hearts that we announce the passing of our beloved dog, Charley, who left us on March 21, 2025. Born on November 30, 2009, Charley was a remarkable companion who brought joy and love into our lives for almost 15 years. We met him in a PetSmart parking lot and the rest is history!

Known for his striking blue eyes and boundless energy, Charley was truly the best boy. He was not just a pet; he was our best friend. His loyalty and affection extended to his brothers and parents, creating countless cherished memories filled with love and laughter.

Charley had a zest for life, particularly when it came to playing frisbee outside, where he showcased his speed as the fastest dog around. His playful spirit shined through as he delighted in his squeaky balls, stuffed donuts, and any baby that crossed his path. Every month, he eagerly awaited his BarkBox, excited to discover new treasures, and he never missed his daily stick and cookies, which brought him immense joy.

Though he has left this world, Charley's spirit will forever remain in our hearts. We will miss him every day for the rest of time, cherishing the love and happiness he brought into our lives. Rest in peace, dear Charley. You will always be remembered.

We take comfort in knowing Charley is reunited in heaven with his best friends Cooper, Bailey and Toby.
