LO

“ Our dear dog, he chose us at the humane society. 6 months old and wild as he could be. We took chase in and gave him good guidance, and he became a great dog off the leash. Our big baby afraid of vacuum cleaners and loud noises, he would always be the toughest when needed. Even though he was bull headed sometimes we still loved him. His favorite things were naps pizza and ice cream. I'll never forget all the times at trout when we would have to rescue him from falling in the creek. He would never lay on the ground and would need his own chair. He was my big teddy bear I would hold at night. I love him so much. I've never had such a great companion. I love you chase.

“ I will always remember all my sweet memories with my baby boy. He will never be forgotten. All the ice cream, naps, love for food, car rides, going to the dog park, going to the creek, and cuddling were some of his favorite things that he liked to share with me his mommy 🤗 there isn't a day that goes by without me thinking about you baby. I love you always and miss you forever ☐❤️ Until we can meet again ❤️🐾👤
