

Cheerio Bell

December 16, 2023

Cheerio Richard Bell was in a lineage of best friends lost way too soon. We only had him for 4 years, and I wish it could have been forever.

Cheerio was a character. Friendly and outgoing, he behaved more like a dog than a cat. His best friends were his sister and grandmother. When I first brought him home, Jade had been my only pet for 5 years. She wasn't ready for a brother, but Cheerio won her over quickly.

When we moved back in with my mom, he was living his best life. He was actually in the Rescue Shelter in Uniontown, PA - the longest of any cat they had there when my nephew Brody picked him. He was never happier than when he was hanging out with his grandma watching TV. I regret not ever taking a picture of him sitting on the arm of her chair. These cats have been everything in keeping spirits up for mom and myself.

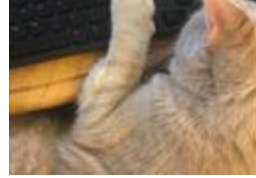

We miss you buddy, and we will always keep you close.

Love,
Dad
