“ Chico you were a part of every single aspect of our lives and now the void is extremely painful. You even needed to try out the brand new deck at camp the first second after built it!

*I miss how you used to dig at my shoulder when I was sleeping in the middle of the night to wake me up for me to hold up the blanket so that you could go under and sleep inside my armpit.*

*Daddy misses you so much my little man.*

“ Dear Chico,  
Jim and I were working in the backyard today, and I thought of you.  
Can't believe that you are gone.  
Truly going to miss your stays with us when your mom and dad go  
in vacation. Love how you used to cuddle close to me at night.  
Loving me like you loved your mom and dad. And how you were  
always so happy to see us when we visited you at your home.  
Chico, your mom and dad miss you so very much, and I do too.  
I love and miss you so very much Chico.

“ Oh little Cheeks you were such a character (❤️). We never knew what to expect from you. Would you be friends or would you try to take a hand off. I think I was privileged to be one of the lucky ones. I'll always remember you climbing on my lap as soon as Mama J moved away from the couch but only until she returned of course. The opening and closing of the door every 5 mins so you could go sun bathe in your downward dog pose. That little tongue hanging out of your mouth as you sat and looked so cute and innocent . You were loved by many and will always be missed. Rest in peace Little Man!

“ I loved Chico. I will miss his little chicken bark. He would let me pet him on his terms and occasionally sit on my lap. My girl Stella was Chico's girlfriend. He LOVED Stella and she LOVED him too. It was funny, a German Shepherd and a Chihuahua. She was waiting for him at the Rainbow Bridge. We will all miss our little buddy Chico.

*I didnt get to see Chico when he was young and playing like he did in that video. But I absolutely loved seeing him when I would come over. I had to really hold myself back from picking him up every single time, I didnt want to me him cough. That little baby made me smile everytime I looked at him. Enjoy the sunshine in Heaven little guy. We all love you!*
