“ Cinder was one of the best dogs I knew. I am just her Auntie but I loved her so much. I tried to bring her home every chance I got lol. She was sweet and always knew how to make you feel better if you were upset or not feeling well. Two pictures I posted are a blanket I got which I will forever cherish and a cute little selfie I got when the family went on vacation and Cinder came over for a sleepover! I loved when she would come to visit ❤️💔 My heart is broken but I know your free from pain now. I love you Cinder and you will always have a special place in my heart.
