I'm glad you were able to experience a happy Holiday season with us. You got a lot of Christmas gifts - from toys to treats, and even enjoyed delicious Christmas food! You even got to take a photo with

Santa! We love you Coco!

We bonded so much in your last week which makes this so much harder. We got our routine down. We already know each other so well and we were always hugging and cuddling your nap and after

my work. I will miss your hugs, handshakes and tail wagging. Love you Coco.
