“ To our little Sunshine,
We can't believe it's been a month since you
went over the Rainbow bridge. We miss you
so much. Even though we know your not with
us we still feel you around. Pixie looks for you
too. We pray all of your pain is gone and you are happy with your
sisters until we meet again.
We love and miss you

“ I can't belief it's been a week since I had to tell
you Good bye. I miss you and my heart aches.
I feel you by my side as you always were. It's
so hard not having you here. I know Pixie
misses you. We love you. Rest in peace, Baby
Girl.

“ We have our sweet ray of sunshine home with
us now. We love and miss you sweet girl. You
are always in our hearts. Pray you are with your
sisters Hailey, Shasta, and Teagan. The pain is
gone and you can run and play. I know in my
heart you were ready to go, but the deep pain
is still with me. Be at peace baby and know we will always love you.

We miss and love you. As much as it hurts to lose you we know you are no longer in pain and can see and hear again. We know Hailey, Shasta, and Teagan were there to welcome you. You will always be our Sunshine.
