Dear JoJo and Paul,

I am so glad I had the opportunity to meet you fur baby DAX!! What a special boy he was! You could just feel the love you had for him every time you shared a story about him with all of us. You are in my prayers. Our pets bring us so much joy and love. Treasure the memories you made with him. I know you hold them close to your heart. Love you, Bon

Dax and I always enjoyed watching the Pirates play ball on TV, Dax was very reactive when the team was doing good! I will miss watching baseball with my little buddy.

I was never allowed to burn candles when Dax was around for fear he would knock it over. Here's one for me and you, baby.

Dax was a special dog with special parents. Is there anything better than the true and pure love of your dog or the way you feel for each other? We will miss you, Dax, but remember you always.
