In Loving Memory of Deisal Alan Fye

2013 - 2025

Deisal Alan Fye, age 12, crossed the rainbow bridge surrounded by love and memories that will never fade. More than just a dog, Deisal was a presence - a loyal companion whose spirit filled every room, every porch, and every car ride.

Known for his boundless energy and quirky charm, Deisal had a passion for chasing the mail truck with unmatched determination, barking at invisible mysteries only he could sense, and keeping watch over his world from the porch at camp. Whether riding shotgun on a drive or perched by the door or window, Deisal was always alert, always present, always part of the moment.

He brought joy, laughter, and comfort to those lucky enough to know him. His absence leaves a quiet space that once echoed with his bark, his footsteps, and his unwavering devotion.

Deisal will be deeply missed and forever remembered by his loving parents, Bruce and Cori B. Fye. His amazing friends Cathy and Mike Ziros. His brother Justin, (Jenna) Fye, and niece Aria. His beloved nephew Bubba. His sister

Izzy (Sean and Vickie Booth) - all who shared in his adventures. His legacy lives on in the stories told, the memories cherished, and the love that remains.

Rest easy, sweet boy. You were one of a kind.
