Sweet boy, I will forever miss your handsome face even when you growled. I always believed that you loved me too, but were just giving me the what for because Jackie Bear rolled you over the wall

*as a pup. You are forever in our hearts and until we all meet again
at the rainbow bridge, run and play with all of our other fur babies.
Now you can growl at Jackie Bear.*

*Denali, you have so many fur cousins playing with you right now!
There is no more pain; just lots of happy times! For those of us who
miss our fur babies, there is still sadness. But we find comfort and*

*peace in knowing that you all are better than ever! May God give
comfort and strength to your family that you had to leave behind.
We love you all!*
