

## Dixie Gerstel

March 13, 2016 - May 20, 2024

Dixie crossed the rainbow bridge on May 20, 2024. She passed peacefully at home.

Dixie was adopted on October 5, 2019 after she was sent to a local shelter from her home state of Alabama. Dixie was adored by any and all who met her but most of all her family.

Dixie's favorite things were car rides, lying in the sun, sliced cheese and napping. She was not a fan of thunderstorms. More than anything Dixie loved her family. Especially her Mom, Dad, sisters and her cat brothers. She was always there to comfort, cheer up and be a source of joy to anyone she met.

We will think of her fondly when we go on car rides and to the park. We will hold her in our hearts forever and she will never be forgotten.

In honor of Dixie, we ask that you spend extra time with your own pet today.

“ They say it’s supposed to get easier as the time goes on but honestly it’s getting harder. Waking up everyday and realizing you are gone is like this weight that won’t lift from my chest suffocating me. What i wouldn’t do for just 5 more minutes with you bubs. 🥹
