“ Aww Doug you were the best. That house won't be the same without you I just know it. Your bun mum loved you so much!

“ You chewed up my iron cord. But I ain't mad.  
You were a giant bunny and that made you different than the others.  
Dog like with a personality. I appreciate how you were always there for Tee. It meant more than you realized.  
Pictures, memories and remnants of things you chewed on leave your mark that will always be here.  
“People may forget the things you did, but they will always remember how you made them feel” ❤️

“ Doug was a big beautiful shiny black bunny. Very sweet and super chilled. He would wait patiently for his food, water & cleaning of his condo. Listening to me & Gavin read bedtime stories over and over until lights out. He was a huge presence, an easy laid back spirit. He will surely be missed ❤️ Grammie
