“ *Drager was the best dog. He loved to cuddle and play with his sister Harley and took a new role in the house of taking care of his new human brother Elijah. He was our protector, best friend and the biggest part of our lives. He will be missed. We love you so much Drager*

Drager was a great loving dog. He loved to have neck rubbed. And we all had a good time watching him chase after the red lazer pointer. We all loved and will miss you Drager.
