“ We are all very saddened by the passing of Dudette. Born June 19,
2017 and sadly leaving us on the same day in 2023 she only lives
six years. She was a beautiful energetics girl who loved everyone,
especially the kids. When the kids were out playing That is where
she wanted to be. She could open every door in the house and if
the kitchen door was locked she would find one that was not and
soon she was dashing through the yard to meet up with the kids. I
said to my son Justin That maybe he should choose a breed of dog
that lives longer and he said someone has to give these beautiful
dogs a happy home and that is exactly what he gave her and dude
and Levi.

“ *What I remember about Dudette is that she was like the Energizer Bunny at the pool party with the kids. Running around that pool for 3 solid hours. She loved being with kids and along with Justin's kids and their friends there was never a shortage. Dudette was also happy to see me when I came to her house (unlike my 2 cats). She liked everybody. She could have been adopted by anyone but she hit the lottery when Justin adopted her. She couldn't have had a better life. A big yard to run around in. Lots of kids to play with. A cabin with a creek. A very good life. Now that she's crossed the Rainbow Bridge she can run around again with all the other faithful pets.*

“ *Dudette, you were so sweet, friendly, and fun! I loved how much you loved being with the kids. You were so loved by your family and will be missed. I hope you're in doggy heaven sitting tall and having an awesome time!*

“ *Dudette, I didn't know you very well and have only met you twice. But you were a beautiful, loyal girl who will never be forgotten by your family. You touched many lives and made a (mostly) cat lover a dog lover. Look over us and fellow boxer Kya. Help her make good choices as a new doggy sister. Much love.*

“ Dudette , you were such a sweet and loving and playful dog. Always happy and eager to play. Your tail never stopped wagging. Having you in our lives made everything better. I will miss the way you greet me when I come over and the way you push me out of your way with your paws while sleeping, the way you knew how to open a door and the way you thought you were always part of whatever game was being played. I hope you're running around in doggie heaven having the best time . You hold such a special place in my heart. I love you so so much. Miss you forever .
