“ Eddie was a very sweet, loving and friendly cat. We will all miss our little purr box. I will miss you sharing my chair and our little chats and bedtime. With sweet memories I will always love you.

My little buddy came to visit me. He looked in my sliding glass door and he'd get all excited when I noticed him. I would live on him and give him treats. His mommy told me that when we went on vacation, he would get excited when he saw the mailman or any movement at our house. I'm sad. Very sad.
