“ Our sweet Edy girl! It's been 6yrs since you left us! So much disgusting shit has gotten on over the years. I'm pissed off at a lot of people and holding a ball of resentment and grudges. Please help me be a better person and I am saying a huge prayer tonight for Andrea's dog Wags! Please help them find him safely in Wisconsin... Amen. We love you so very much baby girl!!❤️❤️❤️

My Edy girl,

Reece and I are up and thinking about you! He's being silly and I asked him where you are and he looked around for you! He doesn't know where you went. He was laying on the bed with you the day you passed away, and he saw when we put you in the box to take you away to your final resting place.. that was the WORST day of my life. I think about that day every single day and I try to think what I might have been able to do to save you.. but I know there was nothing. You went fast and without pain and I'm grateful for that. But I miss you.. so fucking much! And I love you baby girl!
