Elsa Roux Manges

3/5/2015 to 5/7/2024

Breed: Bernese Mountain Dog

Elsa was our sweet, lovable and loyal girl who loved food, treats, squeak toys, socks and her family. Her nicknames were Roux, Puppy Roux, Elsa Baby, Elsa Rooney, Elsie Bells, Rooney Boo and Ursula.

She loved to go on no leash walks and liked to take fresh cold drinks from the pond and bath tub. She worked long hours guarding the house, backyard and her family whenever she wasn't snoozing on one of the couches. She was also a pro at destroying numerous toys including squeak toys which she would jump up and down for. Elsa was always ready to go for a ride anywhere and sometimes would push you out of the way so you wouldn't have a choice but to take her with you. Her favorite people would have to pet her for hours on end. She loved to give warm hugs and stay outside on a cold snowy day. She made several trips to the beach but would only go in the water with her best friend, Aunt Leila. If she would go too far away from the house the cheese horn would always have her running back for her piece of cheese. If you were one of her favorite people she would cry when she would see you

and try to run through your legs. Even with her size she thought she was a lap dog and would come running over to sit in your lap if you decided to join her on the floor. Ice cream was always a favorite of hers and she would let you know by pawing the freezer or bringing you her bowl.

Elsa was truly the best dog and had a one of a kind personality. We were so lucky she picked us and we will miss her dearly. We hope she ran across the rainbow bridge and Leila and our family were there greeting her with open arms.

Until we meet again. We love you!
