“ A year has come and gone without my sweet baby. I miss you every single day. Jasper still looks for you. Leia has joined our family. I see you in so many things she does. I feel you sent her to us. I love you my handsome boy!

“ Jasper and I are so lost without you. He doesn't understand where you have gone. You two might have chased each other and fought but you were always his best playmate and Uncle Fronkie.

“ We adopted Fronk on my 15th birthday. When we were at the Humane Society, they didn't even want to show him to us. But I saw his beautiful coloring and insisted we met him. All of us, my mom, brother and I, instantly fell in love. Sir Fronk was a funny cat. Very serious and cuddly, but also playful and loving. He loved playing with Eloise and Jasper, even if they annoyed him. Fronk was a great support during some hard times. No one can ever replace this wonderful cat.

He was the best. I will always remember him hiding in the boxspring of my bed when we first brought him home.
