“ Dear little Gigi. I feel that I know you, even though we never met. Your mama talked about you so often and showed me pictures of you. You were little in size, but a giant in the hearts of so many.

“ Gigi was a little dog with a big heart! She was one of a kind. Full of life, who always kept her two bigger brothers in line, lol. Fly high my baby girl. I will forever love you and miss you.

Gigi I never got to meet you but from what I have heard you were a little dog that didn't take any crap.
