To our Ginger, our very best friend and member of our family for 14 years. We will miss you very much, but you will always be with us through the many wonderful memories. Our lives were enriched by having you as you were such a good girl. Love you always

*A few things on how Ginger got you to spoil and love her:
She got your attention with her cute puppy eyes even as she got
older!*

Always laid down to get tons of belly rubs.

*Got her babysitter to give her a lot of cookies with her sad
eyes,when her family went on vacation.*

*But best of all,she didn't think she was a dog,we had to remind
her!!!Lol*

Love your babysitter an friend

Bev

*P.S. Ginger I heard they have cookies in heaven----so turn on your
charm!!! RIP*
