*Rest In Peace sweet Gizzy. I'll always remember that moment when i found out you and Ninja were born under my bed. You were so little you could fit in my hand with your sister. You were so much fun and the fluffiest. I will miss you lots! Enjoy the rainbow bridge, I know you will be able to run up there.*

*So sorry for the loss of your pet Gizmo. Play with the kitties in heaven and wait for your hoomans to join you in the afterlife when it's their time. Safe journey for you.*

*Love Vicki*
