I will forever miss you, my baby girl. I had you for 10 wonderful years but it just wasn't long enough, forever would not have been long enough. My heart just wasn't ready to let you go. I look for you everywhere and at times i think that you are sending me signs. It's going to take time for me to heal, I have this enormous hole through my heart. But, I know that you are here with me Hailey. I love and miss you so, so much.

*"It broke my heart to lose you,
but you didn't go alone,
part of me went with you,
the day God called you home."*

Hailey,

I never meet you but I understand you were more than a pet, you were a well loved family members and are so dearly missed. Watch over your family and send them many signs that you are fine. Your Mom misses you dearly and needs you to let her know you are okay. Say hi to Kaden and Buster for us and tell them we love them. Eats lots in heaven and chase all the balls and frisbees your mouth can catch.
