*Thank you Harley Dog, for all the good times we had, walking all the parks and trails, 365 days a year, 3 times a day for 7.5 years, except for rain storms & thunder storms, because you were scared. You showed unconditional love, joy, and company to be with. All of the places we went, to the stores, shopping, you were always with me. When I came home from work you jumped on me, kissed me, and were always ready to go. Harley Dog, you will always be a part of me, and I will always remember you, and miss you.  
Love, Daddy*
