“ *Baby boy I miss you so much I can't get you off my mind. Thank you for always loving me your mommy, your sisters Averyann and Addyson. I have so many memories I will cherish forever. You always stayed by my side and protected the family even when we just would play fight you checked on us and put yourself between us. You were always a lover not a fighter. I know youre living your best life in paradise with your doggy friends and uncle George tell him your ball was our favorite thing. I love you forever and always my hazy ,*

“ I remember the day I met you Haze, you were a tiny little peanut jumping around the house and just being a crazy little puppy. You were always such a good boy. My memories of our time together will be only happy ones. All the kisses you'd give me and the fact that you still tried to sit on my lap like you were that tiny little peanut puppy will always be my fondest memories of you. You'll be forever missed and loved.

Love,
Aunt Melissa
