“ *Hector was the sweetest little dog ever, always so friendly and welcoming. He was definitely the calm within the storm. I'm so glad that I was able to see him a little more often over the past year. I'll miss seeing his cute little face when visiting his human, but the imprint that little guy left on my heart will never fade.* 💙

“ We are so sorry to hear you lost your little guy Hector. Our babies are the greatest and when it's time to say goodbye it's so so tough. You and your crew take care.

“ I remember when he first wore his little vest. Everyone absolutely loved it and thought he was the absolute cutest, which he was. He was never one to bark when you visited but was always almost the first to cuddle for pets. He really was the sweetest Boy and will be greatly missed.

“ There's absolutely not enough words to say how AMAZING Hector will forever be.

The first meeting he snuggled in my hoodie and I fed him hot dogs until Rob said "stop he'll puke!". Don't worry Hector & I discussed it and he still got hot dog bites after the fact.

As far as Chihuahuas go, Hector was the standard. Not a yippee "I'm a big badass" Chihuahua. But a love bug, knowing no stranger. No heart he couldn't melt.

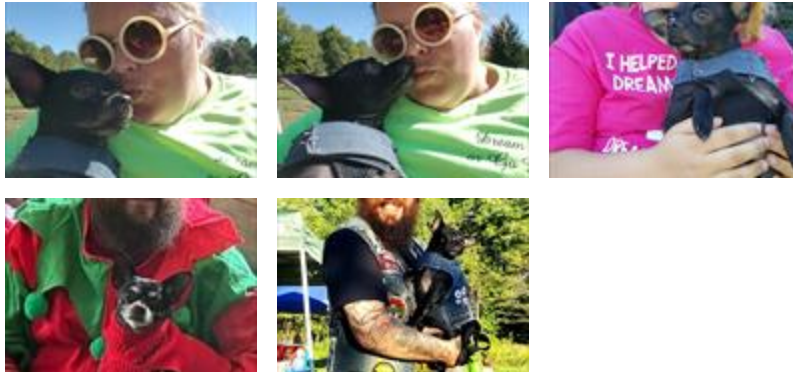

Rob was ALWAYS with Hector or Hector always with Rob. And if they couldn't be Rob always talked about him.

If you ever want to know how much love an animal can give, Hector is the answer.

My life & so many others were touched by him.

I'll miss sending him care packages and promise to try to love people the way Hector did.

Thank you Rob for sharing Hector with us & the world❤️
