HF

“ *Hercules was the most gentle giant. He was the one constant in the family if you had a bad day he was there to make you feel better hunter big buddy. We are gonna miss this big slobbery baby. I'm just sorry that the younger grand kids didn't get to enjoy him cuz he was the best playground for the little ones and he loved them unconditionally. Our family has an infillable hole in our lives by loosing the best dog ever.*
