“ *I remember walking with Jack in the back yard. Twice I saw him chase groundhogs up a tree! I wouldn't believe it , if I didn't see it. Jack weighed 135 lbs, he was a big boy! He was a very good dog. He will be greatly missed by our family.*

“ I remember the first day I met Jackie. Mom asked if I was interested in meeting a schnoodle and I thought he would be a little puppy- boy was I surprised! We pulled up to the house and I heard a loud deep bark and saw a huge doggie! At first I was scared to even approach him, I had been scared of dogs for years. When I finally got the courage, this big scary guy was a big fluffy teddy bear. He wanted pets and scratches and held my hand in his mouth. We had left to look at another puppy, but Jack had immediately won Dad's heart. We came back and I got to play with Jack and we took him home. He was so happy to finally have a big yard, freedom to run and play, toys, chewies, and a family who loves him very much. Rest In Peace big baloo, thank you bunches for all the wonderful years 🥹
