

Jasper Matta

May 23, 2008 - February 21, 2025

Our family lost a beloved member, Jasper.

How blessed we were to spend almost 17 years with you. I'll never forget meeting you as a puppy and instantly knowing you were meant to be mine. You were always more than just a pet, you were the constant I knew I could always count on. You brought everyone around you so much joy with your spunk and stubbornness. You gave the best snuggles and always made us laugh with your antics. You accepted the role of big brother so graciously and did such a good job tolerating August and Aurelia. I think you truly did love them so much.

You were a fluffy boy of many names: Jasper, Jappy, Japs, Jazzy, Chez, Cheese, Jasperoni, Baby Dog and answered to all of them. You loved when August would share his food with you and the special treats he'd pick out for you. In the short 7 months with Aurelia, you let that baby walk all over you and even used her as a seat.

You've been on so many adventures from the nail salon, shopping, and vacations you truly were an adventure dog. I'll miss your barks, howls, and sassy growls and especially when you would "mer". I hope you're chasing your chickens Gemma and Danny and living your best puppy dog life. Your life will be celebrated and you will be truly missed every day baby dog.

“ He was the most stubborn , hard headed 10 lbs of fur you ever seen(wonderwho he got that from). Jasper was truly an amazing puppy that our children just adored to bits. He was such as special little guy they definitely broke the mold when they made him

“ So so sorry. So unfair their lives are so short. I will always remember how happy he made me dancing in the empty room after my mother in law moved out and how he so energetically revealed the blue for August. He was a much loved pet and you gave him a life that reflected that love.
