“ Jay was the sweetest most loving dog! We didn't think she was going to make it when she was born, cause somehow she ended up away from her mom and across the room. She was born in the middle of the night. She was cold and barely moving when we found her. Thank god she had let out a few cries! She quickly became the favorite out of the littler and ended up spending her life with us. She was so sweet, so loving. She couldn't walk outside without giving you kisses before she walked down the steps! We will miss you Jaylynn Marie!
