“ *the empty place in your heart is the surest sign  
that you loved your pet dearly  
and gave them the beautiful gift  
of a full and happy life --  
JohnKitty lived a life of love with Marlene and Paul  
and will be watching over them.*

“ Almost 20 years ago, at the end of October 2004, we adopted 2 kittens, males, the last 2, so we were told, of a litter rescued from an alley.

They had assigned names that had do with laughing, Chuckles & Smirky, if I remember correctly, but I can't remember who was which.

We considered renaming them after the 2 horrendous hurricanes that had blasted Pittsburgh that fall, Charley and Ivan, but came up with a better plan.

As the 2004 Presidential election was looming, we decided on GeorgePuss (for George Bush) and JohnKitty (for John Kerry).

GeorgePuss was with us for almost 10 years. He succumbed to kidney failure, coincidentally on the birthday, July 6 (2010) of his namesake, Pres. George W. Bush.

Yesterday, Friday, September 13th, JohnKitty Crossed over the Rainbow Bridge, as we euphemistically call it. He maintained his dignity to the very end.

We are thankful to have had these lovely pets all these years
