

Jovi Towner

September 11, 2019

In loving memory of Jovi Towner. October 14 2005- September 11 2019. Jovi , you were more than just a pet to us, you were our family, best friend, loyal companion , and the reason behind our smiles. The day we brought you home we knew we were going to love you forever, and that we did and always will. Everyone that knew you, loved you. Your personality was unlike any other dog. We hope you're having a great time in puppy heaven, eating all the treats, and getting all the back scratches you can get. We already miss you terribly and have broken hearts since the moment you left us. Your brother Syrus misses you, we can tell. Keep an eye on him and let him know you're okay. Jovi , thank you for the best 13 years of our lives.
