My dear Kaycee, I love you and miss you more than I could ever imagine. You were such a good dog, but more important you were a loving dog. Your cute face and cute ways would melt everyone's heart. When your Dad picked you for adoption he couldn't have made a better choice. He loved you so much too. Now you are with him and I am happy for both of you, even though I miss you both so much that it hurts. Someday we will all be together. I will never forget you my wonderful Kaycee. Love your Mom.
