In Loving Memory of Lil Girl

Queen of the House, Best Friend, Beloved Companion

2010 - 2025

Lil Girl, born in 2010, passed away in June 2025 after ruling her kingdom with sass, grace, and unmatched attitude for 15 wonderful years. She wasn't just a cat - she was the queen of the house, and everyone knew it.

With her signature sass and sharp gaze, she kept everything - and everyone - in check. Fiercely independent, yet deeply loyal, Lil Girl had a presence that couldn't be ignored and a heart that held more love than she ever let on. She had her own way of doing things, and that way was the only way.

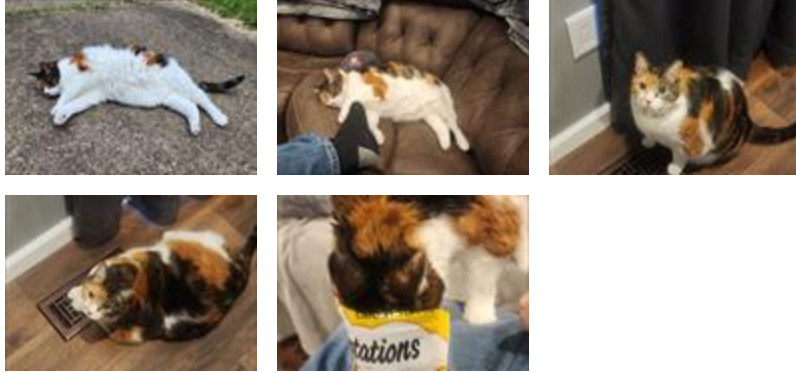

But beneath her queenly exterior was a loyal and loving soul. She was her dad's world - his constant, his comfort, his very best friend. In quiet moments, on long days, through every high and low, Lil Girl was always there. Her bond with her dad was unbreakable, built on mutual trust, silent understanding, and unconditional love.

Lil Girl may be gone from this world, but she leaves behind memories that will never fade and a heart that will always beat a little slower without her.

Rest easy, Lil Girl. You were so loved. You always will be.
