*Lily was the BEST FURBABY EVER,,From the moment We
LOOKED into each EYES we were connected, we imprinted .. Lily
was My BEST Friend, My Companion, My Everything. She could*

calm me when i needed that and Lily helped me in so MANY WAYS. It was an Honor to be her Mother. I will miss her Beautiful Little face, her Soulful Eyes,..her soft fur....everything about her she was such a HAPPY Wonderful girl... Everyone LOVED meeting her everywhere we went, people would ask to pet her and they would comment on her very Unique ear markings, one Black & the other Polka Dots... I don't know how I'm going to go on with out her, i know it will be difficult, and I will take my loss of her one day at a time...When my time comes she will be at the Rainbow Bridge waiting for me so we can be together for eternity, she IS DEEPLY LOVED & MISSED Mommies Lilybelle!!

Lily was my mother's beloved dog and everyone loved her, anybody she met she would make everyone smile, but now she's in a better place flying high with her Halo and wings. Fly high Lily and reach

the Stars.
