Maggie was a sweet little girl. She loved children and other pups, but when it came to rabbits and food she was fierce. She would fight the big dogs for the bunnies and take your hand off for food. Then she would look at you with those eyes and melt your heart. Her best friend was Dudes pup Kona, our other girl who misses her greatly as do we. She had many health issues and is now at peace. We love you Maggie and we'll see you in heaven.

*Love,
Barb, Hailey & Sarah*

Thank you Strifflers
