“ Maggie Mae, 5 years ago today I you had a wonderful day. More energy than you had had for quite a while. You walked our property, ate some grass, and then you laid down one last time.....that was it. You gave each one of us a long look, closed your eyes and you were gone. That has been quite a comfort in these 5 years. You were home, you peacefully died....right here where you lived for 14 years. You are still in our hearts...I'm coming across the Rainbow Bridge to see you first. When it is my time! Poppa too! Our hearts are with you!!!! Our baby girl dog! ❤️❤️❤️
