Marcella Cisneros

10/15/2008 -10/4/2025

On October 4, 2025 our precious jewel took her last breath.

Just a tiny 4 pound teacup Yorkshire Terrier, Marcella ruled the home she shared with her 3 Beagle Brothers Caesar, Crosby and Cooper. She was adored by everyone and spent most of her time in the arms of her father Nacho who even had a puppy carrier that attached to his body. She was always on the lap of anyone who came to visit the Cisneros' home. Children especially loved her as she was the perfect puppy size for their little hands but with the temperament of an adult dog. Marcella enjoyed being dressed up especially in her Halloween outfits she modeled for the neighborhood.

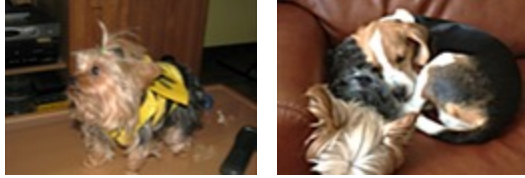

She will forever be our littlest girl who we spoiled and will miss forever.

Nacho, Lynn and Nacho Jr.
